## ACADEMIC PROGRESS FOR ALL CHILDREN

WELL DONE to all of Yr 6 for doing **so well** in SATs (**100% level 4s in English and 100% in Maths. Top Level 5s are 90% in Maths and 79% in English**).

They have been role models for all the other children in the School. They have taken part in a wide range of activities during their time at Miles Coverdale. We wish them the best of luck in their new high schools. They will be an asset for their new schools.

They are leaving Miles Coverdale Primary with an extremely strong foundation and hopefully they will continue to contribute to the wider community as future citizens of the UK and internationally.

Also WELL DONE to all the children throughout the School for improved results in every class. We have seen big improvements in progress for both Early Years and in KS1.

Congratulations to all the staff, parents, governors and of course the children for working so hard to achieve these amazing results this year.

**We are proud of all the achievements at MILES COVERDALE PRIMARY!**

## Working With Parents and Goodbyes

Parents have been more involved with the School activities this year. Thank you for all your wonderful support with your own children but also

supporting the many successful events!

We look forward to working with you all again!

### GOOD-BYES

We say goodbye to Jo Perse and Julia Lowney who have been with the School for many years.

We thank them for their commitment to Miles Coverdale over the years and we wish them both all the best in their retirement.

We also say goodbye and many thanks to Caroline Raiman, Louisa Karlsson, Lauren Picken and Alessandra Corradini.

We also wish them the best for the future!

### STAFF CHANGES:

Next term, Lianne Larkin will be the Early Years Co-ordinator and Natalie Mc Granaghan will be the Phase Co-ordinator for Years 4,5,6.

Sarah Conway will be the new Year 3 teacher.

### ATTENDANCE & PUNCTUALITY

**Next term, we will need an even stronger partnership with parents to aim for 100% attendance and to make sure children are ready to start school at 8.50am every day.**

**We have only achieved 93%-94% attendance this year which is VERY LOW.**

**Parents have a legal duty to ensure their child is attending school everyday.**

**HOLIDAYS IN TERM TIME WILL NOT BE ALLOWED.**

### NEW SCHOOL TIMINGS:

**8.50 AM – 3.15PM**

**Huge thanks to all the children, staff, parents and governors for making this year such a SUCCESS!!**

**Wishing you all a safe and enjoyable summer holiday.**

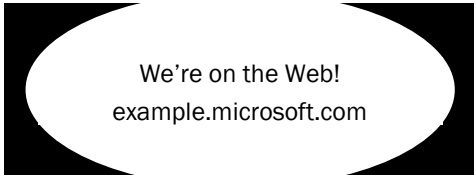

**Happy Eid (to the Muslim Community) which is on the 30th August and we look forward to seeing ALL the children return to Miles Coverdale on**

**Tuesday 6th September at 8.50am.**

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

*Your business tag line here.*

## Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a personal touch. If

your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms of

communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
